INSTITUTIONAL PROGRAMS:

HOW IS ELIGIBILITY DETERMINED?

Eligibility is determined through the FAFSA process. Students must apply through: www.fafsa.ed.gov and list SMCC school code (015001) on the application.

HOW IS AID DISTRIBUTED?

Completed financial aid files are automatically packaged through a packaging formula which includes the above mentioned programs, with the exception of work, and loans which require an additional process. Some funds are limited and packaged to the students who complete their files first. Pell Grants are available all year round to eligible students. It is important to start the FAFSA process early in the year, between October – March.

HOW CAN I OBTAIN STUDENT LOAN?

SMCC participates in the Federal Direct Lending Program. If eligible, student loans are automatically offered to students who submit a FAFSA and have a completed file. Once loans are offered, students must complete an In-Person Entrance Counseling session and a Master Promissory Note. Students are also required to Accept or Decline these awards by going to their Student Service Center.

WHAT ARE THE RIGHTS AND RESPONSIBILITIES OF A FINANCIAL AID RECIPIENT?

As an eligible student (as determined by fafsa.ed.gov) you have the right to be considered for all financial aid programs available at SMCC which are distributed in a fair and equitable manner. In addition, your responsibility as a recipient of that aid is to maintain satisfactory academic progress and to notify the financial aid office and your loan servicer (if you borrow from the student loan program) of any changes in your financial situation or personal situation (change of address, phone).

HOW AND WHEN WILL FINANCIAL AID BE DISBURSED?

Aid is disbursed two weeks after the start of the semester via direct deposit or paper check mailed to the student address on file. Students are encouraged to maintain a correct mailing address and a current email address for college communications.

CAN I USE FINANCIAL AID TOWARD A MCCC DISTRICT STUDY ABROAD PROGRAM?

Financial Aid may be available for funding study abroad programs. Check with the Financial Aid Office & with the International Intercultural Education representative which is located in the Admissions and Records Office.
