A MARICOPA COMMUNITY COLLEGE

A Message from SMCC President Dr. Richard Daniel

Welcome to the 2024 South Mountain Community College Commencement ceremony. Tonight, we recognize the accomplishments of our students for the completion of certificate and associate degrees, and our first Bachelor of Science degree recipients.

We are extremely proud of the achievements of our students!

The students who will cross the stage tonight have persevered and overcome challenges in their educational journey. Our students have demonstrated resilience, grit, and determination in achieving their dream of completing their degree. These accomplishments will be transformational for our graduates and for their families.

Our South Mountain Community College family is grateful to have had the opportunity to share in our students' educational experience. Our faculty and staff are committed to our students' success today and in the future. We know this investment will pay lifelong dividends.

Congratulations to the graduating Class of 2024! Enjoy this memorable evening.

Adelante!

A handwritten signature in black ink that reads "Richard Daniel". The signature is written in a cursive, flowing style.

NAYELI IXTABALAN GARCIA

SOUTH MOUNTAIN COMMUNITY COLLEGE 2024 VALEDICTORIAN

Shhhh! If you happen to be sitting with Nayeli Ixtabalan Garcia's parents, don't tell them that their daughter is this year's South Mountain Community College Valedictorian – Nayeli is actually keeping it a secret until she gets on stage!

And, if you happen to be Sylvia or Carlos reading this about your daughter ahead of the big moment, we apologize!

It was a bit of a shock to her as well, she admits.

"Honestly, in high school, I didn't do all that well," said Nayeli. "When I got the email telling me I was a finalist I yelled! Even just being a finalist was an honor, because I never thought of myself as a valedictorian."

A resident of Phoenix and graduate of South Mountain High School, Nayeli first became connected with SMCC through meeting with staff from the college's Trio Upward Bound program. Trio Upward Bound is a motivational and academically based program which assists students with high school graduation and helps prepares students for enrollment and completion of postsecondary education.

"The Trio staff members introduced me to college, and the different options I had," she said. "They showed me that the best way to get into a university was through a community college."

At SMCC, Nayeli quickly found her footing. By the end of her second semester, she realized she had straight A's.

"It wasn't so hard," she said. "And I thought, 'Well, let's just keep the streak going.'"

She also found a community she could thrive in: she landed a job at the front counter of the Admissions and Records office, helping other students and families navigate the enrollment process. She also joined the Phi Theta Kappa honor society, serving as the club's Vice President of Fundraising in 2023-24.

An avid athlete in high school, having participated in soccer, tennis, track and field and cross country, she set athletics aside when entering college – until she couldn't resist the lure of getting back on the field.

"I was here for educational purposes and I just wanted to do my best and excel in college," she said. "But a friend said 'Oh they have a soccer team, we should go try out.' So we did, and it was fun, and the coach loved how we played and invited us to join the team."

Just like that Nayeli was back on the pitch, adding soccer as yet another one of her activities this past year. Now she completes her sophomore year as valedictorian with a 3.94 GPA, and an Associate in Business. She has also been accepted to Arizona State University's W.P. Carey School of Business, where she will be pursuing a degree in Accounting, with an eventual desire to become a Certified Public Accountant.

"Leaving is kind of sad – I've met so many people from so many other departments, and the faculty and staff at SMCC are all so friendly and supportive," she said. "You get close and it's like family."

To be considered as a Valedictorian, students must have a GPA of 3.90 or higher for all college level courses taken within the MCCCDC; be graduating with an Associate's degree and participating in the graduation ceremony; must have completed at least 45 credit hours at the 100-level or 200-level at SMCC in the past 3 years.

MARICOPA
COMMUNITY COLLEGES

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit <http://www.maricopa.edu/non-discrimination>.
